

DIRECTIONS: Establish location of window and door openings with www.ScaleModelPlans.com structure project template by scoring as shown on Page 4 of the Construction Guide. Choose suitable window size from the following sheets, align the sheet with the scores and cut through the template with a sharp hobby knife or reinforced edge razor blade. Print out more sheets as needed. * Always do a test fit first, as there may be deviations in size from printer to printer.

W100NEB 27" X 62"

FOR PLAN 704 PLACE LINE AT TOP EDGE OF WALL

1768 REAR SECTION
